Applications Accepted NOW

The post-doctoral scholar will be trained by a participating mentor. Supplemental training opportunities will be offered across departments and through the University of Illinois Cancer Center.

This is a NEW one-year, funded, post-doctoral fellowship which may be extended for an additional year.

ELIGIBILITY CRITERIA
1. U.S. citizen or permanent resident
2. Doctoral degree completed within the past two years

APPLICATION MATERIALS
1. Cover letter indicating preferred mentors and cancer biology research focus
2. Curriculum vitae
3. Three letters of recommendation. Letters of recommendation should be submitted on your behalf and cannot be from your proposed mentor.

For more information contact one of the co-directors or see the website below.
