5. After clicking on "Assign PI Proxy" the PI can click on the box under item 1. and a new window will open to display all personnel listed on the study. The PI can then select proxies from the populated list:

A proxy can perform PI responsibilities on your behalf, such as submitting the study to the IRB, modifying the study, and submitting continuing reviews.

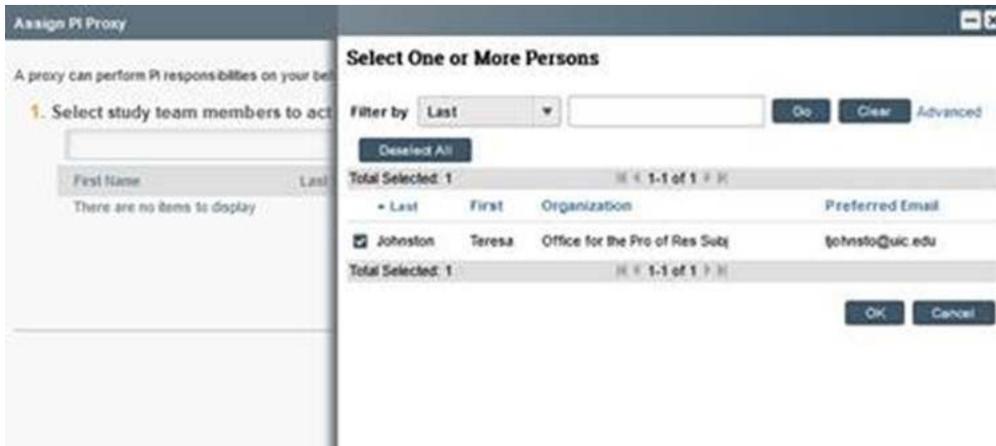

#### 1. Select study team members to act as proxy:

First Name	Last Name	Department
